### **Pedestal Bases and Habitat Scenery**

Bases and scenery are not included in trophy prices. This is a general price guide, not all services are listed. Prices are subject to change.

Each mount is designed to fit our client's needs and preferences.

Our clients work directly with Dave to conceptually build their mount from concept to design. During this time, he discusses different mounting options, poses, custom display work, habitats, styles and pricing. All mounts are entirely custom built, with endless possibilities.

Options range from a simple wooden wall plaque to a showroom-worthy elaborate habitat scene. Your trophy will be created based on the size and style of the mount, your available display space, and budget.

**Your satisfaction is our number one priority!**
